Job Title: Speech and Language Therapist. 15-month post (with view to extend).

Hours: Full Time Equivalent – 37.5 hours per week

Location: Kisumu based, some work in Counties across Western Kenya.

Experience: a minimum of 1 clinical practice post qualifying.

We are looking for a speech and language therapist to join our multi-disciplinary team to work in a variety of settings. This is an exciting opportunity to further develop skills in several clinical areas, working within a very supportive and friendly team. The purpose of this role is to provide speech and language therapy to children and adults with disorders of communication and swallowing.

You should hold a degree in Speech and Language Therapy and be enthusiastic about working as a team.

More details of the duties of the post can be obtained from Rachael Gibson, CEO and Specialist Speech and Language Therapist: jambo@yellowhouseoutreach.org

Closing date: 24th August 2018

Start date: October 2018
